

Blaenymaes Primary

School Improvement Plan 2021 - 2022

Targets for 2021-2022

Priority 1 – Standards, outcomes, and progress:

- To continue to raise the attainment of more able pupils.
- To develop literacy- independent reading skills through reading for enjoyment
- To develop mathematics skills through the new scheme – White Rose maths
- To develop the Early Years curriculum through planning in the moment and developmental pathways
- To embed assessment tracking – groups of learners.
- To develop strategies for supporting our E.A.L. learners

Priority 2 – Well-being and attitudes to learning

- To embed systems in order to raise attendance.
- To develop empathy in pupils through the Empathy Lab toolkit.

Priority 3 – Teaching and learning

- To design a bespoke curriculum on the roll out journey to 2022 – to include development of AoLE leads and pupil voice
- To develop assessment strategies within Curriculum for Wales
- To implement the A.L.N. Act in support of our learners
- To implement provision for S.R.A. and R.V.A. in line with C.F.W.
- To further develop provision for Welsh and 'cynefin,' within C.F.W. design

Priority 4 – Care, support, and guidance

- Developing the Thrive approach to pupil wellbeing and behaviour
- Further develop parental involvement and engagement- through parent council and a pupil campaign for parent governors
- G.B to create new sub committees

Priority 5 - Leadership

- Develop and embed the school's vision towards curriculum roll out 2022
- Drive curriculum design through AoLE lead development
- Develop pedagogical processes
- Implement and develop associate staff performance management processes.
- Track and identify trends using school data and assessments.

| Timeline | Date | Staff Members and GB |
|-----------|-------------|--|
| Planning | Autumn 2021 | SMT, all staff, & Chair of Governors/GB Pupil voice / parent questionnaire |
| Reviewing | Half Termly | As above + all staff |

Article 28 - the right to a good quality education
