

Autumn Term 2025

Welcome back to school after what we hope was a relaxing yet enjoyable Summer holidays. We hope the children are ready for a fun filled year with us.

Snacks will be available every day, this gives children the opportunity to taste new fruits and vegetables. The cost will be £1.00 for the week. Children may bring their own fruit if they want to.

Reading is essential. Please try to read as much as you can with your child and bring your book bags back into school to get their books changed.

Croeso i'r Dosbarth Port Eynon & Rhosilli

Our topic for this term is **Time Machine**.

Time Machine is a humanities-based topic where we will be looking at Blaenymaes over the years and will be travelling back in time to the Victorians and even further back to age of the dinosaurs. Children have been involved in the planning of the topic, this will allow the children to take ownership of their learning and decide what activities we will be doing over the term. Alongside this, we will continue to focus on maths and literacy. We will also be using Seesaw throughout the year to save and record children's work on.

As part of our brainstorming for this topic we would ask you to discuss with your child their ideas about what they think this topic is about and what they would like to learn over the term to do with the topic.

Mrs Welsh will be taking groups out to take part in forest school activities throughout the term. The dates of your child's sessions will be sent out to you via dojo.

Remember that after 9 o'clock children must enter through the main entrance of the school and go to the office to sign in. If your child is absent from school for any reason please contact the office on 01792 583366 or send a message on dojo before 9 o'clock.

PE kits will be needed every week. The day will be sent to you on dojo. Please ensure your child is wearing appropriate clothing and footwear.

Please can children bring in their own drinks bottle with either water or sugar free squash in. No fizzy pop or energy drinks.
