

Dosbarth Rhossili
Homework Menu - Autumn Term 1 - Memory Box

Choose an activity to complete. Once you have completed a task send a photograph of your completed homework to me via class dojo or your child can celebrate their work by bringing it into class.

Visit our class page on www.blaenymaesprimary.co.uk for useful links and homework help.

Every week - Reading at home. This can include your school book, book of your choice, comics etc. Return school book every week and home school link book.

Language, Literacy and Communication	Mathematics and Numeracy	Expressive arts
- Learn our new sounds learnt and practise writing these sounds. Can you write the sound in a word? How many can you write? So far we have been looking at: 'ai', 'igh', 'ee', 'oa', 'oo' (short), 'oo' (long), 'ar'. Please check dojo and the website for sounds learnt each week. - We have been looking at acrostic poems, can you write a poem about; 'SCHOOL' - Practise forming your letters correctly. Please see the formation sheet on our website to help you at home. - Use Oxford Owl to read a story. When you have read a story please let me know so I can add more. - Log into 'Teach your monster to read' and explore the games. See log in sheet I have sent home.	- Download WRM 1- minute maths app to explore mathematical sums on addition, subtraction, multiplication and division. Parents you can download the app from the Amazon Store, Google Play Store or the Apple App Store. - Practise counting from different starting points. E.g. 16,17,18,19,20, etc You can learn to count in 2's and 10's. - Look for numbers in the community, what is the smallest / greatest number you can find?	- Collect natural materials outside and make a portrait. - Can you make your family using the natural materials? - Create a collage using pictures of your family. - Create musical instruments as a family and create a family song. What will your song be called? - Create a family photo album, include pictures of where you like to go as a family.

Health and Well being	Humanities	Science and Technology
- Take a walk in the woods as a family and explore nature. What can you find in the woods? Can you name some of the trees or flowers that are found in the woods? - Take your child to your special place where you enjoyed going when you were a child. - Watch cosmic yoga on you-tube, what is your favourite story? - Draw a picture and write a sentence about what you would like to do in Year 2 this year.	- Make a family tree showing who is in your family. You may want to draw pictures or add photographs to your family tree. - Talk to your child, explaining to them what it was like growing up for you, what was school like, what did you do on the weekends? Etc. - Draw a picture of your favourite place and write a sentence to explain why it is special to you.	- Learn the names to your body parts... Can you sing the song 'Head, shoulders, knees and toes?' - Can you draw a person and label using the names you have learnt? - Use pictures to show how you have grown since a baby - what has changed? How have you changed?
